

Apartment cleaning estimate

Customer: Alex Taylor
Currency: USD

Scope

One cleaning visit for a 2-bedroom, 1-bath apartment of approximately 900 square feet in Austin, Texas. The standard package includes the kitchen and bathroom, dusting accessible surfaces and cleaning the floors.

The deep-clean alternative replaces the standard package and adds baseboards and exterior cabinet fronts. Only one package is included.

Total: Pending tax confirmation

Assumptions

Customer provides access. Cleaning supplies and the final condition of the apartment must be confirmed before work begins. No deep stains or hazardous materials are included. Tax, appointment date, estimate validity and payment terms need confirmation.

Exclusions

Inside-oven cleaning, inside windows, hazardous materials and removal of deep stains are excluded. Only the chosen package counts toward the subtotal.
