Concrete driveway pressure washing estimate

Scope

Clean the concrete driveway area listed in the selected line items, with normal dirt and organic buildup. Includes the agreed setup, surface check and protection of nearby plants. The front walkway, house siding soft wash, deck or fence pressure wash and roof soft wash are add-ons, each included only when it is selected in the item list.

Description	Qty	Rate	Amount
Concrete driveway cleaning (square feet)	1200	$0.20	$240.00
Setup, surface check and nearby plant protection	1	$35.00	$35.00
Front walkway cleaning add-on (square feet) Optional extra	300	$0.20	Not included
House siding soft wash add-on (square feet) Optional extra	1620	$0.30	Not included
Deck or fence pressure wash add-on (square feet) Optional extra	192	$0.40	Not included
Roof soft wash add-on (square feet) Optional extra	2300	$0.35	Not included

Subtotal: $275.00

Total before tax: $275.00

Assumptions

Customer provides working outdoor water access and moves vehicles and loose items. We confirm the surface condition, access, drainage and the runoff handling this site requires before starting. Visit date, tax and validity need confirmation.

Exclusions

Oil, rust and paint removal, surface repairs, delicate coated surfaces, add-ons that are not selected and work outside the agreed area are excluded. Additional work or specialist treatment requires a separate agreement.

Terms and conditions

Payment is due when the work is done. If weather stops the visit, we agree a new date with you.
