

Concrete driveway pressure washing estimate

Customer: Alex Taylor
Currency: USD

Scope

Clean the concrete driveway area listed in the selected line items, with normal dirt and organic buildup. Includes the agreed setup, surface check and protection of nearby plants. Front walkway cleaning is included only when its add-on is selected in the item list.

Description	Qty	Rate	Amount
Concrete driveway cleaning (square feet)	1200	\$0.20	\$240.00
Setup, surface check and nearby plant protection	1	\$35.00	\$35.00
Front walkway cleaning add-on (square feet) Add-on · not included	300	\$0.20	Not included

Subtotal: \$275.00
Tax: Not confirmed
Total: Pending tax confirmation

Assumptions

Customer provides working outdoor water access and moves vehicles and loose items. Confirm surface condition, access, drainage and the runoff handling required at this site before starting. Our minimum job charge is \$200; check the selected subtotal against it after any price or quantity change. This estimate does not automatically apply a minimum charge. Visit date, tax, validity and payment terms need confirmation.

Exclusions

Oil, rust and paint removal, surface repairs, delicate coated surfaces, building siding and work outside the agreed area are excluded. Additional work or specialist treatment requires a separate agreement.
