Garden bed refresh estimate

Scope

One visit to weed and refresh approximately 240 square feet of existing garden beds. Labor and material allowances follow the selected priced line items. Debris removal is included only when it is explicitly covered by the selected priced scope. Existing plants remain in place.

Description	Qty	Rate	Amount
Garden bed refresh labor — person-hours	6	$55.00	$330.00
Mulch supplied and installed — bags	12	$12.00	$144.00
Removal of debris from the agreed bed refresh	1	$60.00	$60.00

Subtotal: $534.00

Total before tax: $534.00

Assumptions

The measured area and material quantity will be confirmed on site. The 36-inch gate and level access are available, and the customer clears parked vehicles. Any additional work or materials require agreement before being added. Appointment date, tax treatment and estimate validity need confirmation.

Exclusions

New plants, tree work, irrigation repairs, major soil excavation, hazardous waste, watering and ongoing maintenance are excluded. Any included debris removal covers only material from the agreed bed refresh.

Terms and conditions

Half of the total is due to book the visit and the rest on completion.
